- ACE APARTMENTS:

The Ace apartment Near Dwarka is an example of Modernist style of architecture that Encourages in it and Contemporary facade. It provides everything the client could want in Delhi – private balconies, rooftop views and neighbourhood ambience. The Apartment has terrace located on the uppermost level that allow the inhabitants to enjoy panoramic views of the city centre and large windows flood the rooms in natural light that create a seamless connection to the surroundings The Building is an marvellous example of geometric patterns coming together to form an Intricate Facade. The material Used on Building facade is wooden cladding, Layer Glass Wall and Gwallior Stone. This Apartment is 2BHK Having 4 Flats on each Floor. Each Flat accommodates is Spacious enough for a Small family Space.

- HOUSE AT FAREEDABAD

This Residence at Faridabad Combines The Elegance and Slack of a modern Designer Home in one Piece. “The open Terrace takes advantage of light exposures, and The Balconies render the

central living area as a naturally and theatrically lit courtyard. The Use of Light Hued Colours on the Exterior instills an aesthetically charged presence within the serene living environment. The surrounding ensemble of private spaces – three bedrooms, three bathrooms, and storage and service areas on the Ground Floor, are raised on a Fine Textured Concrete plinth.”
