## ABOUT US /

GAMLE kitchen appliance is a flagship brand of Orange Crow International Pvt Ltd. It's a style statement and is of course setting a tradition and culture of its own in Indian kitchen space. It's the need of discerning buyers of modern home appliances. Our products are very meticulously designed and produced to suit every Indian house hold requirements.

We ensure safety and also save electric consumption. The products are quite friendly and easy-to-use and easy to install. Acknowledging the fact that quality service is the other major parameter for brand acceptance in the market, GAMLE is answer to all market dynamics in kitchen segment.

## ENJOY HEALTHY COOKING!

Let's cook happiness, together!!

## MISSION & VISION /

Our primary mission and objective is to be rated the most sought after brand name in the kitchen home appliances that offers technologically superior world class products & service, and to build a long term relationship with customers and business associates for a strong and long standing in the market.

TURNING KITCHENS  
INTO FUN-FILLED PLACE

## CHIMNEY /

Kitchen never felt so fresh

This modern-day phenomenon is designed to transform your kitchen into a place brimming with nothing but freshness. Programmed to eliminate the stale smell, it also abolishes dullness from your kitchen with its superb aesthetic looks.
