We are one of the eminent manufacturers and suppliers of a wide variety of Promotional Garments and Other Accessories. These are appreciated for the salient features like colorfastness, exquisite designs and durable finish standards.

## About Us

Located at New Delhi, India, we, “Genius Cap Industries,” are one of the recognized manufacturers and suppliers of a wide range of Promotional Garments and Other Accessories. Our wide range encompasses Men's T-Shirts, Ties & Novelties, Leather Jackets and Men's Hats. Besides these, we also have in store for our clients a wide variety of Promotional Bags, Promotional T-Shirts and Promotional Caps. Fabricated from superior basic material, these are used by various industry segments for brand promotion and product launch activities. Offered in several designs, shapes and sizes, these can also be customized to meet exact needs of our clients. These are highly preferred for the prominent features like high tear strength, exquisite designs, attractive colors, colorfastness and durable finish standards by our clients spread across the nations

Our advanced infrastructure and expert personnel help us to undertake the manufacturing, designing and customizing company's logo on the products of bulk orders. Moreover, to make our products as per the international quality standards, we have appointed skilled quality controllers who keep vigilance on whole production process. Furthermore, to deliver flawless products, they stringently check the final product on some well-defined parameters.

We are led by expert management team whose every members have immense industry experience and knowledge. With their...
