ABOUT US

- *One of the innovators in the world who converted art work into utilities and brought beautiful designs and pieces of exquisite art to the drawing rooms of the aesthetically motivated people of india, Mr. Manzoor started using marble dust in combination with designer resin to mould creativity into shape. A product with the unique quality of being unbreakable and carrying with it a life time guarantee for any sort of inherent manufacturing defects, the richness of the designs and the exquisite craftsmanship has to be seen to be believed. The workshop of Manzoor Design House create - elevation designs, dinning ,coffee & side table bases , urns/pots , planters, Indoor & outdoor statues, water bodies, pillars , wall murals And made to order designs for architects, interior designers and landscape designers . We also undertake concept/theme designing contracts e.g water bodies , cave rooms, rock gardens, cave restaurants etc and the list seems to be never ending .These products are fire retarded and fully washable and inherently carry the quality of not collecting dust even over a long period of time.*

THE EFFECTS-TEXTURES-MATERIALS

- *There are various textured effects which can be designed on our product example wooden effect , raw metal effect , stone effect , rock effect , etc and various colour effects can be highlighted to the product example a plain surfaced artefact can be given different effect like wooden, metal, stone and rock etc.*
- *We only use branded Frp raw materials for our workmanship e.g Jindal & Ashland and Binani etc*
- *Colour effects we use famous branded Colour companies like Asian , Deco and Camel . We use high graded powder colours for colour scheme effects for perfection .*
- *We have highly skilled craftsmen team for every activity e.g plywood farma making ,clay design making , waist mould making , casting , finishing , final mould making in f.r.p or rubber , spray painting , putty application , sanding to perfection , shade highlighting ,texturing , melamine and p.u application .Its our honest endeavor to make you have a feel of our Artifacts which are as follows*
