About Us

We, "Paras International", started in the year 1999, are one of the foremost Wholesale Trader of Geyser Range, Ceiling Fans, Exhaust Fans, Juicer Mixer Grinder, etc. All these products are manufactured by us according to the demands and requirements of the customers. Also, high-grade material and advanced technology are used by us in the production of these products. Further, these products are extensively used and highly appreciated by patrons due to their distinguished properties such as sturdy construction, elegant appearance, fine finish, and high reliability. Moreover, we started our business by keeping three basic targets in our mind that are complete customer satisfaction, consistent quality controlling and properly maintaining ethics and principles of business in our business activities. Today, we can say that we have been achieving these three objectives consistently since our emergence with the help of our diligent team and robust infrastructure. Our skilled and experienced professionals manage our infrastructure in such a way so that we can produce these goods in bulk as per our patron's requirements.

Under the supervision of our mentor, "Mr. Pankaj Jain", we have carved a vast niche for ourselves. His rich experience, market understanding and knowledge along with strong business acumen have contributed a lot to the success of our company. He has taken us to new heights of...
